

Tempe, come celebrate with us!

Tempe loves to celebrate! Festivals and special events help create an image of an exciting city on the move. From major events on our city's award-winning waterfront to neighborhood picnics and concerts in our nationally recognized parks, we are fortunate to have such a diverse array of unique events happening in our hometown each year – produced by dozens of community organizations and dedicated volunteers.

To assist you in planning festivals and events in our city, Tempe has compiled this helpful Handbook for Hosting Festivals and Events. Inside you will find information on Tempe event venues, directions on how to file applications for event permits and licenses, and all of the answers to your questions about security, emergency medical services, clean-up, insurance requirements, and more. As we continue to build a more efficient and effective local government, our Tempe departments have worked hard to streamline the event permitting process while continuing to provide vital services that help make your event safe and successful.

This handbook also contains a Special Events Permit Application and a checklist of everything you need to know and do to host a Special Event in Tempe. You will also find a helpful list of contact names and numbers and a list of city services and resources that can help you plan your event.

Please share information about your event with us, so we can list it on Tempe's on-line events calendar at www.tempe.gov/events.

This Handbook will be helpful as you plan the festivals and events that contribute so much to the spirit and vitality of Tempe. Thanks for all you are doing to make Tempe the best place to work, live and play!

Sincerely,

Kathy Berzins
Director, Community Services

Anyone who wants to host a parade, concert, walk, bike or foot race, rally or public gathering that will be held in a public venue or that will affect private and/or public property or rights-of-way must file a Special Event Permit Application with the Special Events division. The following events must apply for a special event permit in the City of Tempe:

Parades / Walks / Concerts / Runs / Race / Festivals / Triathlons / Skate Park Event / Rallies

Special Event Application fee:.....\$ 35.00

Special Event Permit fee:.....\$100.00 permit fee per day, not to exceed \$500

Extension of Premises Permit fee:.....\$ 35.00

What is a special event?

A festival or event in Tempe that will:

- be held on or affect City of Tempe streets, sidewalks on private and/or public property;
- require City of Tempe services beyond those the city provides its citizens under ordinary, everyday circumstances; and/or
- have activities that require issuing one or more additional licenses or permits (fire works, alcoholic beverages, food sales, parades, street closings, tents over 400 square feet, etc.).

An application must be submitted for a Special Event Permit with City of Tempe and pay the required fees for that permit.

What is the process?

Anyone who plans to host a Special Event (as defined above) in the City of Tempe must follow the procedures below. It should be noted that prior to issuance of a Special Event Permit, all five (5) steps listed below must be completed before your event will be approved and a special event permit issued.

(1) Check for facility availability by phoning the Special Events Office at 480-350-5180.

Please note: Inquiries of availability does not guarantee that the date is reserved for your group.

Booking Policy

Recurring special events have priority to reserve a park location for the same event the following year. Event organizers that book a park location for an event one year have the exclusive right to re-schedule the same event for the following year for up to one month after the event's conclusion. After one month, park locations that had been booked the previous year are open to booking on a first come, first serve basis. When a park location has dates that have gone unreserved during a calendar year, those times may be booked for future events up to 18 months in advance.

- 2) *If a facility is available, submit a Special Event Permit Application to the City of Tempe Special Events Department.* Once the application is received in the Special Events Office, the date requested will tentatively be held for your event. Applications are available online at www.tempe.gov/events or at the Special Events office between the hours of 8 a.m. and 5 p.m., Monday through Friday, excluding official City of Tempe holidays.

For applications and information, contact:

- All Special Event Permit applications must be accompanied with a non-refundable application fee of \$35.00 (made payable to "City of Tempe").

Special Event Liquor Permit/Extension of Premise Liquor Permit

If you plan to serve alcohol beverages at your event, a city issued Special Event or Extension of Premise Liquor Permit may be required. City of Tempe ordinance allows only malt beverages in Tempe Parks. If your group is requesting to sell malt or other types of alcohol beverages, you must first get approval from the City of Tempe Special Event Task Force Committee (SETFC).

Anyone selling alcoholic beverages at an event held in or on public property at a Tempe venue must:

- 1) Be eligible to sell alcoholic beverages in the City of Tempe,
- 2) Apply for and be recommended for a Special Event Liquor Permit or Extension of Premise Liquor Permit through the City of Tempe Special Event's Task Force and ultimately from the AZ Department of Liquor License and Control.

Eligibility

Eligibility for obtaining a Special Event Liquor Permit is determined by A.R.S. 4-203-02. Eligible groups include charitable, religious, fraternal, civic and political organizations. A Special Event Liquor Permit allows a charitable, civic, fraternal, political or religious organization to have alcohol donated to sell and serve spirituous liquor for consumption only on the licensed premises and only for the period authorized on the permit. This is a temporary permit. An applicant must be at least 21 years old and a resident of Arizona to obtain an Alcohol Beverage Permit.

Commercial Organization Requirements:

All commercial organizations partnering with a charity or non-profit organization to serve/sell alcohol beverages must provide a letter from the charity stating the following:

- A) The eligible organization and their representative agrees to participate as the agent and applicant for the Special Event Liquor Permit and will receive a minimum 25% of the gross proceeds from the sale of alcoholic beverages, as evidenced by a written agreement provided with the application,
- B) Verification that a principal of the charity will be on site during hours when liquor is being served.

Event Policies for Serving Alcohol

The City of Tempe Special Event Task Force Committee (SETFC) reserves the right to require that the promoter adhere to the following criteria when serving alcohol:

- Any authorized pre-mix beverages being sold/served at an event must be provided by an authorized wholesaler as a pre-packaged and pre-mixed beverage. Under no circumstances will anyone other than the wholesaler be allowed to pre-mix beverages beforehand and/or during the event to serve to customers.
- Beer gardens (with fencing approved by the SETFC) may be required for events that are open to all ages. The purpose of a beer garden would be to allow only customers over age 21 to enter the area.
- Event layout(s) may be modified/alterd by the SETFC to prevent potential security issues for new and/or existing events.

If an event would like to deviate from the criteria mentioned above the applicant would be required to submit a written request to the Special Event Task Force Committee for consideration. All requirements and standards will be determined by the Special Events Task Force.

How to apply for a Liquor License:

The process for applying for both types of license(s) is the same with the exception of the fee(s) incurred. Listed below is an outline of the procedures to obtain either a Special Event Liquor License or Extension of Premise Liquor License within the City of Tempe.

- 1) A copy of an event's application for a Special Event and/or Extension of Premises Liquor License and a Certificate of Insurance must be submitted to Special Event office at least **30 days prior** to the event (see Insurance Requirements, Section 10, pages 15 & 16). Include a check to cover the appropriate license fee, made payable to "City of Tempe". *See chart below for appropriate fee(s).*
- 1) Once application is submitted, a Special Event representative will schedule you to attend a SETFC meeting. SETFC meetings are held every other Tuesday afternoon at 1:00p.m., Tempe Transportation Center-Don Cassano Community Room, 200 E 5th Street, 85281.
- 2) At SETFC meeting, either the committee will recommend approval or disapproval of the application. If approved, the applicant is responsible to hand carry the application to the AZ Department of Liquor for approval before the scheduled event date.
- 3) AZ Department of Liquor will either approve or disapprove the application. If approved, AZ Department of Liquor will issue an AZ Alcohol License. Applicant must fax (480-350-5184), email or hand deliver a copy of this license to the City of Tempe Special Events office.
- 4) Upon receiving the AZ Alcohol License, the Special Events office will then issue the applicant a "City of Tempe Special Event Liquor Permit" and if applicable an "Outdoor Permit" from the City of Tempe.

An event producer who wants to host an event that will involve closing a public right-of-way or involve a state-maintained right-of-way (street, sidewalk or alley) must request permission from the City of Tempe Transportation office at least (60) days before an event. In addition, ADOT will require an application for an encroachment permit if freeway ramps or right-of ways are closed (see below for instructions on how to obtain ADOT permits). Street closings and placement of barricades/signage on City of Tempe streets and rights-of-way must be coordinated with and approved by the following city departments: Traffic Operations, Police Department's Traffic Unit and the Transportation Department. If an event requires closure of streets or public rights-of-way, proper barricades and signage are required.

All signage and barricades must comply with the Manual of Uniform Traffic Control Devices. To ensure that event producers are in compliance, the City of Tempe, or an approved barricade company, will be responsible for placement and removal of all barricades and signage before and after an event. Event producers will be invoiced for all costs incurred to rent, insure, and transport barricades to and from an event site. Should a private barricade company do the barricading; the company must submit a traffic control plan to the Transportation Division for review. The staffing of traffic control work shall be determined by the City of Tempe Transportation Division, Traffic Operations and Tempe Police.

The City of Tempe may request that event promoters notify affected businesses and/or residents if an upcoming event will require street closing(s) and/or send a Street Closing press release and camera-ready Site Map to all media at least two weeks prior to an event.

Listed below are the procedures to request a road closure and/or barricades:

If food or drink (other than pre-packaged) will be served at a festival or event, event producers must obtain a Health Permit from the Maricopa County Health Department

The Maricopa County Environmental Services Department is the regulatory authority that issues "temporary food service establishment" permits for food and beverage concessions at special events. It is the Department's responsibility to regulate the food sold at these events. If food or drink is not prepared and handled in a sanitary manner, the public's health may be at risk.

Requirements:

In order to sell or give away any food or beverage product at an event, you are required to apply for a "Temporary Food Service Establishment" permit and pay an associated permit fee. Please read the following Food and Beverage Vendor Checklist for additional requirements and information. The Guide to Temporary Food Service at Special Events and Application for Temporary Food Service Establishment Permit may be filled out on-line, downloaded and printed.

- A completed (pages one and two) application and \$70.00 permit fee per booth must be submitted seven days prior to the start of the event. All payments must be Arizona checks or money orders. Please make checks payable to MCESD.
- The Temporary Food Service permit will be issued at the event after a passing inspection has been completed. Please refer to the Guide to Temporary Food Service At Special Events for the requirements. Effective July 1, 2007, **inspectors can no longer accept payments for Temporary Food Service Permits on site, at events. All permits must be paid for by vendors in advance.**
- Only those vendors selling bottled water or canned soda (unopened, from an approved source) are exempt from obtaining a Temporary Food Service permit. All other vendors, regardless of product, are required to obtain a permit and pay the required fee per booth.
- Those individuals who currently possess a valid Maricopa County Mobile Food, Pushcart, Food Peddler or Catering permit are not required to pay the permit fee. However, a copy of the permit is required.

Note: It is the event producer's responsibility to read over the guidelines to determine whether or not a health permit is required for any food vendors at their event. If you are not in compliance with Maricopa County Environmental Services Guidelines, it should be noted that a health inspector **could shut down your food operation the day of the event**. If this should occur, the City of Tempe will not be held liable for loss of income.

It is the responsibility of an event producer to provide adequate security for an event. The type and location of the event, presence of alcoholic beverages, crowd size and other factors will determine the amount of security needed.

After reviewing the event application, the City of Tempe Special Event Task Force Committee may require an event producer to provide private security, hire off-duty police officers, or reimburse the City of Tempe for expenses it incurs by providing on-duty police officers for security, traffic control and/or crowd control.

Off-duty police officers may be available for events at the following rates:

- \$53.00 per hour, per officer as determined. 3 hour minimum

The City of Tempe government will not provide on-duty personnel for the following needs at events:

- Gate security
- Beer/alcohol sales security
- Security for VIPs and celebrities
- Security for money handling
- Stage security
- Overnight security or security outside event hours
- Private parking lot security
- Security for event equipment trailers supplies, etc.

Requirements for private security company

If you will be using a private security company for your event, please keep in mind that the City of Tempe only allows security companies that are licensed and bonded in the State of Arizona. For questions, call the Tempe Police Department at 480-350-8542.
